Anne Caulfield

Financial Aid Officer

Email: finaid@schulich.yorku.ca

Phone: 416-736-2100 ext. 30515

Services

Awards and Bursaries

Awards and bursaries are distributed through the Schulich Financial Aid office. Applications for bursaries open at the beginning of each term. Applications for continuing student awards are available in September. We will send out a notification before the bursary and award applications open with the details and the links.

We encourage all award recipients to write a thank you letter to the donor so we can send it to the donors on your behalf. Please contact the Financial Aid Officer if you are an award recipient and would like to send the donor a thank you letter.

Financial Advising

We offer advice on applying for awards, financial aid and bursary options. We also offer financial advising to students regarding their student accounts, paying their bills, OSAP and other provincial loans and the Professional Student Line of Credit. In addition, we provide workshops on financial literacy and OSAP repayment seminars.

OSAP Loans

We distribute OSAP loans during the first 4 weeks of the Fall term to relieve the wait times. After the first 4 weeks all loans are returned to the Bennett Centre for Student Services and are distributed by York Financial Aid.

We also offer basic advising for OSAP but for more detailed and individual assistance it is best to book an appointment with an [OSAP advisor](#). If you are unsure of whom to contact let us know and we will help put you in touch with the correct person or department.

Quebec Loans

Please contact our office to have your Quebec Loan forms completed, stamped and signed.

OGS/SSHRC

All OGS and SSHRC applications for Schulich School of Business students are available in the Fall through the Schulich Financial Aid office. The deadlines are sent out in the student services bulletin and blog. Please note that applications in the Fall are for the following year.

Letters: Payments and Student Accounts

Students may request letters regarding awards, proof of payment, payment requests or other transactions on their student account. Please see the link on the right for details.

Case Competitions

The Schulich School of Business provides funding for some case competitions. This funding will not cover the full cost of the competition and is assessed on a case by case basis. All applications for funding should include information regarding the competition and an estimate of costs associated with attending the competition. Students should contact the Assistant Director of Financial Aid if applying for funding. Please note there is limited funding available and not all case competitions will be approved. Approval is based on funding available as well as reputation and relevance of the competition.

RBC Visit

RBC comes on campus regarding the Professional Student Line of Credit, you can apply at this time or seek advice from RBC. The visit is at the beginning of September and January. Students can book appointments on the student portal.

International Student Loans

Designated students from India who require funding for educational purposes are able to apply for this financial loan. For terms and conditions please visit the [Global Education website](#) and click on Student Loans, then Credila Indian Student Loan Program.
